## English speaker

### Despre mine

I am a student at USMF studying dentistry and am interested in a part time job that requires advanced/native english language skills. I am an American living for Chisinau for several months and plan on staying in the city until I graduate in June of 2024.

Native english speaker, basic knowledge of Microsoft Word, excel, powerpoint, team spirited, ability to adapt to multicultural environments and good communication skills gained throughout my work experiences, seminars and projects.
